CLEARINGHOUSE RULE 04-045

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 2002.]

2. Form, Style and Placement in Administrative Code

a. In changing the dollar amount in s. HFS 158.04, the dollar sign should be included in both the old, stricken amount and the new, underscored amount.

b. The rule shows the title “CPI Detailed Report” in italics, while the current Administrative Code does not. If the department intends to change this title to italics, it must do so by striking through the existing title and underscoring the new, italicized title.

5. Clarity, Grammar, Punctuation and Use of Plain Language

In the fifth sentence of the discussion relating to federal regulation, it appears that the word “of” should be replaced by the word “or.”
